

MyMHCC Upgrade – Visual Changes

MyMHCC is being upgraded on 6/21/18, which includes a modern visual theme and responsive features. Below are a few key changes.

OLD LOGIN SCREEN

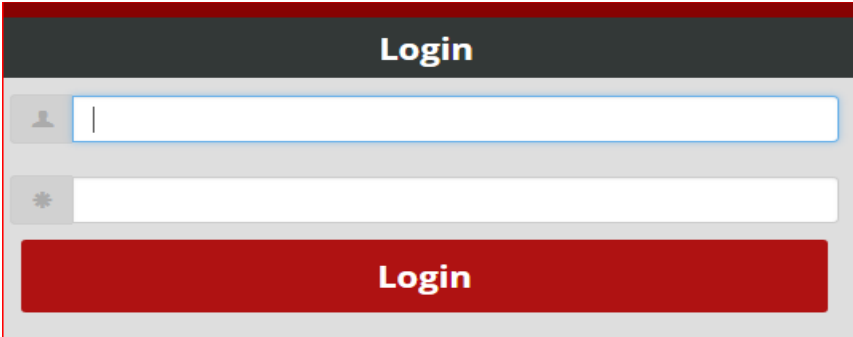

The old login screen features a dark gray background. It has two input fields: "User Name:" and "Password:". To the right of the password field is a link that says "I forgot my password". Below the password field is a red button with white text that says ">> Login".

NEW LOGIN SCREEN

The new login screen has a solid red background. It features two input fields with gray icons on the left: a person icon for the username and an asterisk for the password. To the right of the password field is a "Login" button. Below the password field is a link that says "I forgot my password".

MOBILE LOGIN SCREEN

(click "Login")

The mobile login screen has a dark gray header with the word "Login" in white. Below the header are two input fields with gray icons on the left: a person icon for the username and an asterisk for the password. At the bottom is a large red button with white text that says "Login".

OLD SEARCH

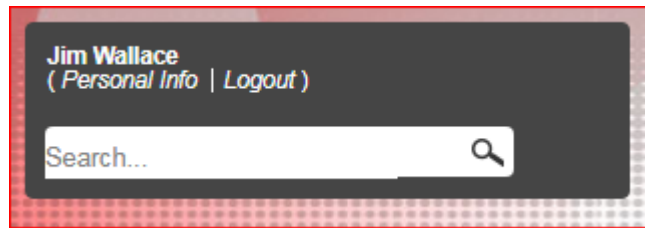

The old search screen has a dark gray background. It features a search input field with the placeholder text "Search..." and a magnifying glass icon on the right.

NEW SEARCH

(Click the Magnifying Glass)

The new search screen has a solid red background. It features a search input field with the placeholder text "Search..." and a red button with white text that says "Search". Above the input field are two icons: a person icon and a magnifying glass icon.

OLD Personal Info

NEW Personal Info

(Click on the user icon -> "personal information")
