Math, Writing, Human Relations and Health/PE requirements for most AAS programs can be completed during any term. Some programs may require additional general education courses beyond what is listed above. See [catalog.mhcc.edu](http://catalog.mhcc.edu) for details.

To be awarded the AAS degree, students must:

- Complete all requirements to total 90 applicable degree credits.
- Have a minimum GPA of 2.0 or higher: at the time the degree is awarded; in the cumulative MHCC grade point average; and in all courses being applied toward the candidate's major classes. Some majors may have additional GPA requirements.
- Satisfactorily earn 12 credit hours at MHCC. Non-traditional credit (College Level Examination Program, Experience-Based Credit, Course Challenge, etc.) does not satisfy this requirement.

Please note: Courses may not be repeated for credit unless specified in the course description.
