For complete lists of course options in each category, please visit catalog.mhcc.edu/degree-certificate-requirements/aas

- To check your official progress toward graduation, log on to MyMHCC and click **View My Degree Audit**.

Courses that fulfill general education (math, writing, etc.) can be completed during any term, or before starting the program. Some programs may require additional general education courses beyond what is listed above. See catalog.mhcc.edu for details.

To be awarded the AAS degree, students must:

- Complete all requirements to total 90 applicable degree credits.
- Have a minimum GPA of 2.0 or higher: at the time the degree is awarded; in the cumulative MHCC grade point average; and in all courses being applied toward the candidate's major classes. Some majors may have additional GPA requirements.
- Satisfactorily earn 12 credit hours at MHCC. Non-traditional credit (College Level Examination Program, Experience-Based Credit, Course Challenge, etc.) does not satisfy this requirement.

Please note: Courses may not be repeated for credit unless specified in the course description.

The number of terms it takes to complete a degree will depend on how many credits are taken per term, as well as if any prerequisite courses must be taken before beginning the Career-Technical Core courses. Most AAS programs are meant to be taken full time. Work with your faculty adviser if you need to attend part time.
